

Ultralight high-tech helmet for rock climbing, mountaineering, and beyond. Offers excellent ventilation and an outstanding weight-to-protection ratio. An ideal choice for climbers who prefer a lightweight style.

DESCRIPTION

Optimized low-profile shape with a low center of gravity stays out of the way while climbing and fits perfectly.

Two front clips and a rear elastic cord for securing a headlamp.

Minimalist soft straps allow easy head circumference adjustment and fine-tuning for a precise, secure fit.

Hybrid in-mold construction combining EPP foam and a PC shell with an added low-density EPS foam insert ensures reliable head protection while maintaining low weight.

Large ventilation openings ensure excellent airflow even on the hottest summer days while maintaining a high level of safety.

Clean design and 2 color options.

Available in 2 sizes (M 52–57 cm and L 56–61 cm) for a wide range of users.

KEY FEATURES

- lightweight helmet with a low profile
- MERINO fabric padding
- perfectly ventilated
