

# ↑ DOME

Durable big wall harness ideal for aid climbing, designed for maximum comfort on long days on the wall. Suitable for all who prefers great support and comfort while climbing.

## DESCRIPTION

The waist belt is equipped with two buckles for perfect centering. The patented Rock&Lock buckle allows quick and comfortable putting on and taking off the harness.

2 colour coded belay loops with 15 kN strength.

Reinforced ergonomically shaped padding provides maximum support in the lumbar and leg areas.

7 gear loops with 5 kg capacity, 2 slots for additional PORTER carabiners; possibility of attaching a hammer holder.

Tie-in points are reinforced for greater durability of the harness.

Adjustable leg loops with Rock&Lock buckles allow the harness to be dressed with skis or crampons on.

## KEY FEATURES
