

BUNGEE

Lightweight tether for leashless climbing, attaches ice tools to the harness.

DESCRIPTION

Suitable for ice climbing, mix climbing and steep couloirs.

Length of the lanyards can be extended from 80 up to 135 cm (incl. carabiners) and so allows free movements.

WARNING! This equipment is not PPE (personal protective equipment) and shall not be used as a part of fall arrest system. Do not use as a fall absorber! Do not use as a belay stance lanyard!

Mini screw lock carabiners can be attached to the tool's spike or head.

V-shaped elastic webbing is short enough for tangle-free handling and may be stretched for maximum reach.

KEY FEATURES

- elastic webbing
- prevents the loss or fall of ice axes

FEATURES

80-135 cm	strength 300 kg	12 mm	90 g	unique number	warranty

MATERIALS

- 60% Aluminum alloy
- 35% PAD
- 5% elastic webbing

TECHNICAL DATA

MAINTENANCE

Lifetime of this product depends on the frequency and the environment (salt, sand, moisture, chemicals, etc.) in which is used. Without taking wear or mechanical damage into account and in compliance with the conditions specified in the instructions for use this product may be used 15 years from the date of production and 10 years from the date of the first use. However mechanical damage can occur during the first use, which can limit the lifetime of this products only to its first use.
