

# BUNGEE 360

Lightweight swivel tether for leashless climbing, attaches ice tools to the harness.

## DESCRIPTION

A built-in swivel minimizes tangling.

Suitable for ice climbing, mix climbing and steep couloirs.

V-shaped elastic webbing is short enough for tangle-free handling and can be stretched for maximum reach.

**WARNING!** This equipment is not PPE (personal protective equipment) and shall not be used as a part of fall arrest system. Do not use as a fall absorber! Do not use as a belay stance lanyard!

Two mini screw lock carabiners can be attached to the tool's spike or head.

Length of the lanyards can be extended from 80 up to 135 cm (including carabiners) and so allows free movements.

## KEY FEATURES

- elastic webbing
- prevents the loss or fall of ice axes

## FEATURES

80-135 cm

strength  
300 kg
